The Concept

NASA SBIR/STTR Quarterly Newsletter

The purpose of *The Concept* is to provide information of interest to our NASA SBIR/STTR awardees, small business concerns, and university and high-tech industrial communities. The newsletter includes NASA SBIR/STTR news, events, informative articles and contact information for general program inquiries, as well as pointers to Web sites for the latest technical information on NASA mission programs.

To automatically receive the newsletters via email, visit: sbir.nasa.gov/info [2].
